

## CLIENT AGREEMENT

Dear Client,

**Please read the following, then check the “agree” box, initial and return to me.**

Welcome!

I look forward to working with you. I want you to know that I acknowledge your courage to seek guidance regarding your sexuality. It is an honor for me to do this work and I am grateful to be able to share my expertise with you. If you decide to work with me, the following are the guidelines that I ask all of my clients to agree to. This agreement ensures that our relationship is one based on mutual trust and respect; the cornerstones of a relationship.

- The standard therapeutic session is 1 hour and 30 minutes to 2 hours. The fee is agreed upon prior to the commencement of the session.
- Please do your best to be on time for your appointments. Your time is specifically arranged for you. It is YOUR time to connect with a deeper part of yourself.
- Simply by showing up the healing/transformation begins.
- There is a charge for appointments not cancelled 24 hours in advance. The charge is the standard session rate. The reason there is a charge is because I cannot book another client in your time frame.
- If you are working with another therapist I will ask you to sign a release of information form. This allows me to supply your primary therapist with feedback so that both of us become your therapeutic team.
- Phone conversations longer than 10 minutes will be billed at a previously arranged fee.
- I ask you to fully participate in your therapy process. I appreciate communication on your observations and awareness between sessions. In fact, clients who keep a record of their development usually progress more rapidly. I read and listen to these communications prior to our sessions.
- Unless we have made other arrangements that involve in-depth coaching between sessions for a fee, please understand that I will give you all feedback during our scheduled time.
- If conditions prevent you from coming in person to a session, I am happy to conduct one by phone, text, email, facetime, skype, etc. for a previously agreed upon fee.
- All sessions need to be scheduled in advance.

I look forward to working with you.
